CDC: [CDC.gov](http://CDC.gov)

Seneca County General Health District: [senecahealthdistrict.org](http://senecahealthdistrict.org)

### Executive Summary

**GOVERNOR:** Governor DeWine announced that as of today, 361,603 vaccines have been given in Ohio. The goal is to eventually vaccinate anyone in Ohio who wants a vaccination, but we have to take this one week at a time.

This coming week, Ohio will start vaccinating those in the public who are 80+. There are 750 provider locations across the state and approximately 100,000 vaccines. Beginning next Tuesday, Wednesday, and Thursday, depending on delivery date, the vaccines will be available.

Yesterday and today, local health departments and emergency management agencies have held press conferences or sent notifications to media to notify residents about where to sign up to get vaccinated. All local health departments should have this information on their website by tomorrow morning. Also, tomorrow, a new tool will be available on the [coronavirus.ohio.gov](http://coronavirus.ohio.gov) website where Ohioans can select their county or zip code to see a list of providers that received the vaccine.

Office: 419.447.0266 • Fax: 419.448.5064

**PUBLIC HEALTH ADVISORY SYSTEM:** This week, there are some small changes in the Public Health Advisory System alert map. Ohio isn't necessarily seeing a dramatic surge after Christmas and the New Year, but there is a bit of an upswing in cases. Reflecting this, Hamilton County has moved to purple this week. There are also two counties moving to the watch list: Lorain and Clermont.

**TRAVEL ADISORY:** An updated travel advisory map has been released and is the appropriate section below. There is not much of a difference between last week and this week, besides the addition of Virginia to the list of states.

**OHIO DEPARTMENT OF HEALTH:** ODH has extended the 10:00 PM to 5:00 AM statewide curfew for another three weeks, until January 23, 2021. This is because we do not know what effect the holidays may have on the hospitals and health care systems.

**COVID-19 VACCINATION DASHBOARD:** The COVID-19 Vaccination Dashboard is now live, and displays the most recent data reported to the Ohio Department of Health regarding the number of individuals that have started and completed the COVID-19 vaccination series by various demographics and county of residence. This dashboard is available on the [coronavirus.ohio.gov](https://coronavirus.ohio.gov) website, and will be updated daily.

**TESTING LOCATIONS:** **Seneca County is hosting FREE COVID19 drive through testing on Wednesday, January 20<sup>th</sup> from 10am to 2pm at the Seneca County Fairgrounds. This testing is being facilitated by the National Guard. Pre-registering is NOT required, but will help with expediency on the testing day. You can pre-register [HERE](#). PLEASE FOLLOW THE INSTRUCTIONS ATTACHED TO THE LETTER.**

DeWine has started a walk-up/drive-up testing initiative with the Ohio Association of Community Health Centers and their affiliate members and the Ohio National Guard. These sites will also include other local community-based organizations i.e., faith-based organizations, community centers, food pantries, etc.

Testing for this initiative will be available for individuals with or without symptoms. The test has no out-of-pocket cost to the patient and individuals of any age are able to access the test. Minors will need signed consent of a parent/guardian.

For an exhaustive list of all the locations in the state that are offering testing, [click here](#).

**Seneca County Commissioners:** [www.senecacountyohio.gov](http://www.senecacountyohio.gov)

**Seneca County General Health District:** [www.senecahealthdept.org](http://www.senecahealthdept.org)

The Health Commissioner reports that 73 vaccines have been administered with full schedule on Tuesday, December 29 and nearly full schedule on Wednesday, December 30<sup>th</sup>. A new batch of 100 doses of vaccine were received on Monday the 28<sup>th</sup>. The department is working through all those in

phase 1a that want the vaccine and will move to phase 1b which includes the following: Ohioans 65 years-old and older; those living with severe congenital, developmental, or early-onset medical disorders; and adults who work in schools.

Seneca County Health Commissioner will produce Facebook Live videos with updates from the Health District. This will occur at 10:30 on the second and fourth Wednesday of the month. Videos will be archived on Facebook and can be viewed live on the Health Department's and Commissioner's FB pages.

What do you do if you have symptoms of COVID? Contact your doctor. If you don't have a doctor, but have insurance, check to see if your insurance has tele-health and see a doctor. If your doctor does not recommend a COVID test but you need one, call the Tiffin Community Health Center, 419.455.8140 and make an appointment.

PCR swab tests may take 4-6 days to return results as they must be sent to a lab and be cultured to test for the virus. Rapid tests have a much shorter return time, but are in short supply. No test is 100% accurate. The test relies on, among other things, the amount of virus in your system at the time of the test. Tests are available at the following locations:

PCR (4-6 day return):

Mercy Health-Tiffin Hospital (with Drs. order)

ProMedica Hospital (with Drs. order)

Tiffin Community Health Center (Tele-health or Dr. on site)

Rapid Test (6-8 hour return):

Urgent Care (Tele-health or Dr. onsite)

CVS

The Public Health Advisory System shows that Seneca County has met 5 of the 7 indicators needed to change the level. Wearing a mask, washing your hands and/or using hand sanitizer and not congregating with friends or family not living in your household is the best way to stem the tide of this virus. This is inconvenient and difficult, but necessary.

The EMA will continue to update our partners on the numbers twice a week on Mondays and Thursdays. Please continue to send your information to be shared with our partners to [jspahr@senecacountyohio.gov](mailto:jspahr@senecacountyohio.gov).

**Hospital Council of Northwest Ohio:** [hcno.org](http://hcno.org)

Please see the attached COVID-19 Data Report for **01/18/21**. Throughout the COVID-19 response, HCNO will release updated reports regularly using this format.

### **Key Points:**

126 Hopewell Ave., Tiffin, Ohio 44883  
Office: 419.447.0266 • Fax: 419.448.5064

- Regionally, there are 503 COVID-19 patients with 277 (55%) in Lucas County hospitals, 70 (14%) in Allen County hospitals, and the remaining 156 (31%) from other NW Ohio counties
- Regionally, there are 134 COVID-19 Critical Care patients with 85 (63%) in Lucas County hospitals, 17 (13%) in Erie County, and the remaining 32 (24%) from other NW Ohio counties
- Regionally, there are 90 patients on ventilators
- According to ODH dashboard, Region 1 has begun 51,665 vaccines as of 01/18/2021
- Out of 38 regional hospitals reporting, 17 hospitals reported strained or critical nursing shortages (45%)
- The statewide median age for COVID-19 is 43 years old
- The statewide 7-day average positivity rate for testing is 10.9%

**Seneca County Regional Planning:** [senecarpc.org](http://senecarpc.org)

**Red Cross:** [www.redcross.org](http://www.redcross.org)

For a limited time, your blood donation will include an antibody test with results returned to you through your Red Cross Donor App. Go to [redcrossblood.org](http://redcrossblood.org) for more information.

Blood Collection Screeners Needed: COVID-19 has disrupted our daily lives, but the need for lifesaving blood hasn't changed. To help protect everyone's safety, we have a need for Donor Screener volunteers (ages 18+) to take the temperatures of blood donors entering American Red Cross blood drives or donation centers.

In this volunteer position you can volunteer just once or multiple times, the choice is yours! Apply now at [www.redcross.org/volunteer](http://www.redcross.org/volunteer)

For more information or questions, please contact Melanie Collins at [Melanie.Collins4@redcross.org](mailto:Melanie.Collins4@redcross.org) or 330-204-6615.
