Executive Summary

The Governor did not hold a press conference today.

CENTERS FOR DISEASE CONTROL: The CDC has issued a health advisory warning of any hand sanitizer manufactured by "Eskbiochem SA de CV" in Mexico, due to the potential presence of methanol, a "toxic alcohol", as an active ingredient, which can cause blindness and/or death when absorbed through the skin or when swallowed. Since then, FDA has identified additional ABHSR products that contain methanol and is working with manufacturers and distributors on a voluntary recall of these products.

Governor DeWine reports that there is now an email set up to coordinate donations and offers to help. This address is together@governor.ohio.gov.

Dr. Acton reports there is a new coronavirus interactive dashboard at <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/home/dashboard>.

**Ohio State Fair:**

The Expo Commission has cancelled the 2020 Ohio State Fair due to the COVID-19 pandemic. The Ohio State Fair's management team along with the Ohio Expo Commission evaluated information from state and local health officials, along with the financial feasibility of a reduced attendance over the past several weeks.

Seneca County Commissioners: www.senecacountyohio.gov

Seneca County General Health District: www.senecahealthdept.org

The Health Department reports 34 total confirmed cases of the COVID-19 virus including 28 people who have recovered from the illness and two who have died due to complications of COVID19.

Last week the ODH reported erroneously that Seneca County was considered a LEVEL 2 county out of 4 statewide advisory levels. This data has since been checked and Seneca County's level was adjusted to a LEVEL 1.

Seneca County Health Commissioner will produce Facebook Live videos with updates from the Health District. This will occur at 10:30 on the second and fourth Wednesday of the month. Videos will be archived on Facebook and can be viewed live on the Health Department's and Commissioner's FB pages.

Blood Collection: www.redcross.org

For a limited time, your blood donation will include an antibody test with results returned to you through your Red Cross Donor App. Go to redcrossblood.org for more information.

Blood Collection Screeners Needed: COVID-19 has disrupted our daily lives, but the need for lifesaving blood hasn't changed. To help protect everyone's safety, we have a need for Donor Screener volunteers (ages 18+) to take the temperatures of blood donors entering American Red Cross blood drives or donation centers.

In this volunteer position you can volunteer just once or multiple times, the choice is yours! Apply now at www.redcross.org/volunteer
For more information or questions, please contact Melanie Collins at Melanie.Collins4@redcross.org or 330-204-6615.
