**Executive Summary**

**GOVERNOR:** The Governor did not hold a press conference today.

The orders that Governor DeWine announced last week have been signed. Those include limiting congregation at wedding receptions, funerals and other events at banquet settings and requiring retailers to post signs saying that masks are mandatory for entry to their business.

Governor DeWine has started a walk-up/drive-up testing initiative with the Ohio Association of Community Health Centers and their affiliate members and the Ohio National Guard. These sites will also include other local community-based organizations i.e., faith-based organizations, community centers, food pantries, etc.

Testing for this initiative will be available for individuals with or without symptoms. The test has no out-of-pocket cost to the patient and individuals of any age are able to access the test. Minors will need signed consent of a parent/guardian.

#### **Emergency Management Agency**

The Public Health Advisory System shows that Seneca County has met 5 of the 7 indicators needed to change the level. Wearing a mask, washing your hands and/or using hand sanitizer and not congregating with friends or family not living in your household is the best way to stem the tide of this virus. This is inconvenient and difficult, but necessary.

The EMA will continue to update our partners on the numbers twice a week on Mondays and Thursdays. Please continue to send your information to be shared with our partners to [jspahr@senecacountyohio.gov](mailto:jspahr@senecacountyohio.gov).

Blood Collection Screeners Needed: COVID-19 has disrupted our daily lives, but the need for lifesaving blood hasn't changed. To help protect everyone's safety, we have a need for Donor Screener volunteers (ages 18+) to take the temperatures of blood donors entering American Red Cross blood drives or donation centers.

In this volunteer position you can volunteer just once or multiple times, the choice is yours!
