EMA
SENECA COUNTY

Seneca County EMA Situation Report #110
COVID-19 Response
December 14th, 2020
County EOC Status: Monitoring
State EOC: Activated

Distribution List: Villages, Townships, Seneca County Elected Officials, City of Tiffin Elected Officials, City of Fostoria Elected Officials, Fire Chiefs, Law Enforcement, Seneca County Education Contacts and LEPC/HS and Mental Health Recovery Services

Ohio
Confirmed Cases: 522,467   (+33,389 in the last 96 hours)
Probable: 48,135
Confirmed Deaths: 6,972
Probable Deaths: 579

Seneca County: LEVEL 3 (High Incidence) PUBLIC EMERGENCY Ohio's Public Health Advisory System
Metrics (as of 12/14)
Total Cases: 2,770 (+141)
Active Cases: 762 (+18)
Deaths: 50 (+   1)
Recovered: 1704 (+113)
Hospitalized: 49 (+3)

Due to the change suggested by the CDC in the way the health department does contact tracing, there will be a lag in the data just as there is a lag at the state level. We will get the statistics updated as soon as possible.

VACCINE PROVIDERS: Prospective COVID-19 vaccine providers are encouraged to review the enrollment checklist, FAQ's Document, and view the webinar that details how to enroll.
 To enroll in the COVID-19 Vaccination Program:

   Visit OHID webpage: https://ohid.ohio.gov
   Log-in using your OHID or create a new account
  Request access to the Vaccination Program (COVID-19) application
   Complete, sign, and submit all required forms electronically through the application

Other resources:

   ODH Provider Enrollment Information
   ODH Provider Training
   Interim DRAFT Vaccination Plan

PHASED APPROACH TO VACCINE ADMINISTRATION
Governor DeWine announced that Phase 1A of the vaccine will be available around December 15, 2020.
Phase 1A of distribution priorities - in no particular order include:

   Health care providers and personnel routinely involved with the care of COVID-19 patients
   Residents and staff at nursing facilities
   Residents and staff at assisted living facilities
   Residents and staff of Ohio's veterans' homes
   Patients and staff at psychiatric hospitals
   People with intellectual disabilities and those who live with mental illness who live in group homes and their staff
   EMS responders

The federal government has made it clear that we will not know for sure how many vaccines are coming until closer to the time the shipments are finalized.

Our current understanding, which is subject to change, is that we will receive a shipment from Pfizer on December 15th with 9,750 vaccines for hospitals (prepositioned sites) and 88,725 for Walgreens and CVS for congregate care settings.

On December 22, we anticipate a shipment of 201,000 vaccines from Moderna. These will go to 98 hospitals and 108 health departments. Hospitals will vaccinate those dealing with COVID-19 patients. Health departments will vaccinate people like EMS, home health care works, and others.

EMA

SENECA COUNTY

TESTING LOCATIONS: Seneca County is currently in the process of scheduling pop up testing. Date is tentatively scheduled with the National Guard in January.

DeWine has started a walk-up/drive-up testing initiative with the Ohio Association of Community Health Centers and their affiliate members and the Ohio National Guard. These sites will also include other local community-based organizations i.e., faith-based organizations, community centers, food pantries, etc.

Testing for this initiative will be available for individuals with or without symptoms. The test has no out-of-pocket cost to the patient and individuals of any age are able to access the test. Minors will need signed consent of a parent/guardian.

For an exhaustive list of all the locations in the state that are offering testing, click here.

Travel Advisory: Those entering Ohio after traveling to states reporting positive testing rates of 15% or higher for COVID-19 are advised to self-quarantine for 14 days.

The list of states will be updated every week on Wednesday. Based on a 7-day rolling average of positivity rates of November 18, the affected states are highlighted in yellow on the attached map.

Seneca County Commissioners: www.senecacountyohio.gov

Seneca County General Health District: www.senecahealthdept.org
  Seneca County Health Commissioner will produce Facebook Live videos with updates from the Health District. This will occur at 10:30 on the second and fourth Wednesday of the month. Videos will be archived on Facebook and can be viewed live on the Health Department's and Commissioner's FB pages.

Emergency Management Agency
  What do you do if you have symptoms of COVID? Contact your doctor. If you don't have a doctor, but have insurance, check to see if your insurance has tele-health and see a doctor. If your doctor does not recommend a COVID test but you need one, call the Tiffin Community Health Center, 419.455.8140 and make an appointment.
  PCR swab tests may take 4-6 days to return results as they must be sent to a lab and be cultured to test for the virus. Rapid tests have a must shorter return time, but are in short supply. No test is 100% accurate. The test relies on, among other things, the amount of virus in your sytem at the time of the test. Tests are available at the following locations:
  PCR (4-6 day return):
    Mercy Health-Tiffin Hospital (with Drs. order)
    ProMedica Hospital (with Drs. order)

John Spahr Emergency Management Administrator
126 Hopewell Ave., Tiffin, Ohio 44883
Office: 419.447.0266 • Fax: 419.448.5064

Tiffin Community Health Center (Tele-health or Dr. on site)
Rapid Test (6-8 hour return):
Urgent Care (Tele-health or Dr. onsite)
CVS

The Public Health Advisory System shows that Seneca County has met 5 of the 7 indicators needed to change the level. Wearing a mask, washing your hands and/or using hand sanitizer and not congregating with friends or family not living in your household is the best way to stem the tide of this virus. This is inconvenient and difficult, but necessary.

The EMA will continue to update our partners on the numbers twice a week on Mondays and Thursdays. Please continue to send your information to be shared with our partners to jspahr@senecacountyohio.gov.

Hospital Council of Northwest Ohio: hcno.org
Please see the attached COVID-19 Data Report for 12/14/20. Throughout the COVID-19 response, HCNO will release updated reports regularly using this format

Key points:
- Regionally, there are 689 COVID-19 patients with 393 (57%) in Lucas County hospitals, 89 (13%) in Allen County hospitals, and the remaining 207 (30%) from other NW Ohio counties
- Regionally, there are 182 COVID-19 Critical Care patients with 122 (67%) in Lucas County hospitals, 23 (13%) in Allen County hospitals, and the remaining 37 (20%) from other NW Ohio counties
- Out of 38 regional hospitals reporting, 20 hospitals reported strained or critical nursing shortages (53%)
- The number of COVID-19 hospitalized patients in Region 1 and Regions 1, 2 and 5 combined continues to increase
- The number of COVID-19 hospitalized patients in Region 1 and Regions 1, 2 and 5 (Zone 1) combined continues to increase
  - Region 1 COVID-19 hospitalized patients are higher than our previous peak in the 200-330 range in mid-April
  - Zone 1's COVID-19 hospitalized patients are higher than our previous peak in the 690-700 range in mid-April
- Cases reported through the Ohio Department of Health continue to increase substantially each day
- The statewide median age for COVID-19 is 42 years old
- The statewide 7-day average positivity rate for testing is 15.2%

126 Hopewell Ave., Tiffin, Ohio 44883
Office: 419.447.0266 • Fax: 419.448.5064

For a limited time, your blood donation will include an antibody test with results returned to you through your Red Cross Donor App. Go to redcrossblood.org for more information.

 Blood Collection Screeners Needed: COVID-19 has disrupted our daily lives, but the need for lifesaving bloodhasn't changed. To help protect everyone's safety, we have a need for Donor Screener volunteers (ages 18+) to take the temperatures of blood donors entering American Red Cross blood drives or donation centers.

In this volunteer position you can volunteer just once or multiple times, the choice is yours! Apply now at www.redcross.org/volunteer

For more information or questions, please contact Melanie Collins at Melanie.Collins4@redcross.org or 330-204-6615.
